Passionate about PE

Activate Sports Education is a sports coaching company providing quality physical education and sport specific sessions within schools.

The new 2019 OFSTED framework places a huge emphasis on how well schools implement their curriculum and expects that “teachers have good knowledge of the subject(s) they teach.”

PE is a curriculum area that teachers can often feel less confident about teaching effectively. We can take away that concern, by providing high quality PE education for all ages of children from Nursery to Year 6; which meets the requirements of the National Curriculum and guarantees appropriate progression of skills across year groups, covering a wide range of sports.

We can work with you to maximise the use of your sports premium budget and to ensure that the intent, implementation and impact of your PE curriculum is of the highest standard.

Excellent, professional and experienced coaching staff who tailor the PE provision to the needs of our school and children. There is a holistic approach to the sports provision on offer, ranging from coach-led PE lessons, to after school clubs and even to holiday camps. Would 100% recommend.

Beth Stevens – Executive Head, River Wye Federation

Why us?

High quality Lessons

We have access to hundreds of lessons plans for all the core subjects of the curriculum. We provide sessions for Early years development all the way to Year 6. Some of coaches are also trained to work with adults and could offer teachers workout sessions after school!

Competitively priced

We offer a simple fee structure for services so you can add as much or as little into your budget to suit your needs.

External club exit routes

We aim to provide children with opportunities to take part in sport and physical activity outside of school. Working with local sports clubs to provide options for children to explore their sporting interests.

Flexibility

We know even with the best planning, things change whether it's because of school trips, visitors or just the weather. We provide flexibility around the services we offer to ensure they fit in with your schedule.

Bespoke services

We can offer your school bespoke services like, sports days, staff training, sporting interventions, impact reports and much more.

Planning and Assessments

We can help PE co-ordinators and teachers with their planning and assessments for their classes, following the national curriculum and specific school physical development plans.

Physical Development Interventions

We can help offer 1-2-1 support for children who require additional help with fundamental motor skills or physical development.

Arrange a **FREE AUDIT** of your current sports provision or to discuss how we can help develop your PE and Sport at your school please contact us.

Our services

Activate Sports Education works with schools to provide the best provision for you. We know not one service suits everyone. That is why we offer a FREE Audit to help you discover how we can help. We can customise our services to suit your school needs, so you get the best value for money.

Some of our key services we offer:

Extra Curricular Clubs

Creating opportunities for KS1 & KS2 children to try new sports during breakfast, lunch and afterschool sports.

High Quality PE Lessons

Our core service offering fully planned PE sessions in a variety of sports to suit the schools needs and interests for the full academic year.

Competition Training & Management

From pre-competition training for specific competitions and school games events to providing a sports coach to travel with the team as event lead, taking the pressure from staff off site.

Holiday Sports & Activity Camps

We provide a safe and fun environment for children to discover new sports and keep active during school holidays. This can part of your own wraparound care provision, or we can take full responsibility and use your school as a host venue.

Sports Day

We offer bespoke sports day packages to schools, with a variety of ways to engage with children throughout a day of sport.

Teacher CPD, PE Planning & Assessment

We can help teachers with delivering quality PE sessions and help with long term planning and assessment.

Arrange a **FREE AUDIT** of your current sports provision or to discuss how we can help develop your PE and Sport at your school please contact us.

School Holiday Sports Provision

Get active during the school holiday!

We offer fully managed and organised sports and activity sessions during the school holidays; your school could be the host venue and offer exclusive sessions just for children at your school or open to children from other areas.

If you have your own wraparound provision, we could help boost your activities with a sports morning or day to encourage more children to get active during the holidays.

There is so much flexibility to offer more activities than just in term time and with our fully trained staff to help this could be a great addition to your school.

Activate Sports Education supported the smooth, successful running of our first holiday camp. Daily, Steve provided a range of exciting and engaging sports activities. The children shared positive feedback each day and went home with smiles on their faces. Steve adapted activities for the children, considering the children's interests, ideas and thoughts. We have already booked Activate Sports Education to return in the Easter holidays!

Zoe Skidmore – Nursery and Wraparound Care Lead, Whitchurch CE Primary School

Our coaches are our business!

Passion for sport is so important to us at Activate Sports Education. Our coaches are positive role models for PE and aim to inspire children through their journey with physical activity.

Craig Cook
Senior Coach and Mentor

All our coaches are passionate about sport and PE. They aim to create a fun and safe environment for all children to ensure they develop and enjoy PE and physical activity, creating a legacy for the next generation.

Our coaches are fully trained, regularly assessed, and mentored throughout their role within schools. All our lead coaches undergo a 4-week induction covering DBS checks, safeguarding training, behaviour management, PE confidence training and to ensure they follow our policies and objectives.

We create a portfolio for each school, highlighting school timetables, lesson plans and any school specific requirements to ensure our coaches can give you the quality service you deserve.
